School, Community and Home Relations

The Henniker School Board recognizes the importance of having a strong partnership between the school and the parents of our students as well as the community at large. The School Board subscribes to the following, where “parent” means any adult who plays a significant role in the care of a student enrolled at HCS.

- HCS is a welcoming place, accessible to parents and community.
- Communication between home and school is regular.
- Parents are partners in educational decisions that affect children and families.
- Parents are encouraged to visit HCS for events such as Open House and Parent Conferences.
- Opportunities are provided to parents on ways to assist with various aspects of the educational programs.
- The support of businesses and agencies will be sought through a variety of contributions.
- Partnerships are sought with local organizations, local city, and county governments to enhance the educational program of HCS.
- Student participation in community service is encouraged.
